

Existing law provides for the creation of the Orleans Parish Juvenile Services Financing District to provide funding for juvenile facilities, programs, and services.

Existing law authorizes the governing authority of New Orleans to levy and collect a tax up to 10 mills on the dollar on property within the district subject to voter approval. Requires that the election be called by the governing authority of the city of New Orleans upon written request by the board of commissioners of the district.

Prior law provided that, if approved, the tax would expire on Dec. 31 after the 2014 mayoral election for the city of New Orleans. New law changes provision for the expiration of the initial tax from a specific date to a term not to exceed eight years.

Existing law authorizes the renewal of the tax if approved by the voters. Also requires that any election to authorize the renewal of the tax be held only at the same time as the mayoral primary election for the city of New Orleans. If the tax is renewed, the term of the imposition of the tax shall be as provided in the proposition authorizing such renewal, not to exceed eight years.

Effective Aug. 1, 2014.
