1 AN ACT

2 To enact R.S. 26:909.1, relative to sales of tobacco products; to provide relative to the
3 payment and purchase of tobacco products for wholesale and retail dealers; to require
4 specific consideration for tobacco products; to provide for notification requirements

10 Section 1. R.S. 26:909.1 is hereby enacted to read as follows:

11 §909.1. Cash or short-term sales only; notification; penalty for violation

12 A. No manufacturer or wholesale dealer shall sell, offer to sell, or deliver
13 any tobacco products to any retail dealer in this state, and no retail dealer in tobacco
14 products shall buy or accept delivery for any such product for any consideration
15 other than cash or on terms. If payment is not received when due or payment is
16 returned for insufficient funds, the vendor shall within five business days, notify the
17 commissioner thereof and the commissioner shall promptly notify all manufacturers
18 and wholesale dealers in the state of the default in payment and thereafter no person
19 shall sell any tobacco products to the retailer in default on any other terms than cash
20 delivery, until otherwise authorized by the commissioner. Under penalty of

9 C. When a permit is suspended or revoked pursuant to this Section, the

11 issued covering the same premises until all debts are satisfied by the retail dealer
12 whose permit was suspended or revoked for failure to make payment for any default.

13 D. The commissioner shall promulgate rules and regulations for the
14 enforcement of this Section.

Abstract: Requires all consideration for tobacco products be made in cash or on terms, and provides relative to notification and penalties for default in payment.

Proposed law prohibits all manufacturers and wholesale dealers from selling, delivering, or offering for sale, tobacco products to any retail dealer for any consideration other than cash or payment on terms.

Proposed law requires the manufacturer and wholesaler to immediately notify the commissioner of any payments that have not been made by the due date or returned for insufficient funds, and further requires the commissioner to notify all manufacturers and wholesale dealers in the state that the retail dealer has defaulted on payment.

Proposed law requires that upon notification all manufacturers and wholesale dealers in the state shall accept only cash delivery for any tobacco products until otherwise authorized by the commissioner. Proposed law requires that the retail dealer in default to pay the obligation in full within 30 days of the due date.

Proposed law authorizes the commissioner to suspend the permit of any person who violates the provisions of proposed law for not more than five days for the first offense and not more than 30 days for any subsequent offense, which includes each failure to make payment for any default during the period of suspension.

Proposed law authorizes payment to be made in cash for all tobacco products subsequently sold or delivered to the retail dealer.

Proposed law authorizes the commissioner to order that no state or local permit be issued for the same premises where a retail dealer operates whose permit has been suspended or revoked for failure to make payment for products received.

Requires the commissioner to promulgate rules and regulations for the enforcement of proposed law.
