AN ACT

To enact R.S. 38:90.4(A)(1)(j), relative to the Statewide Flood-Control Program; to provide for information to be included in applications for funding of any flood-control projects; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 38:90.4(A)(1)(j) is hereby enacted to read as follows:

§90.4. Methodology for flood-control project evaluation

A.(1) Applications for funding of any flood-control projects under the Statewide Flood Control Program may be submitted by any duly authorized municipal, parish, or other governing authority. Applications shall be made to the office of engineering by October first of each year, for consideration of funding in the following fiscal year. Applications submitted in accordance with the provisions of this Chapter shall not be subject to the provisions of R.S. 39:101. Sponsoring authorities with a population of fifty thousand persons or more shall be responsible for the preparation of applications for their respective projects. For sponsoring authorities with a population of less than fifty thousand persons, the office shall prepare the applications for the projects, or the sponsoring authority may prepare its

1 application in the event the office cannot accomplish required engineering services
 2 in a timely manner. Information to be provided in the application shall include but
 3 not be limited to the following:

4 * * *

5 **(j) Any negative and positive impact on adjacent parishes both upstream**
 6 **and downstream from the project.**
