

1           WHEREAS, extending the time period between the opening of qualifying and the  
2 election would provide voters with a better opportunity to learn about the candidates and to  
3 make an informed vote; and

4           WHEREAS, however, there are a number of issues that should be examined if this  
5 time period is to be extended significantly; and

6           WHEREAS, the cost of conducting elections is also a subject that should be  
7 examined; and

8           WHEREAS, because the system of elections touches on subject matters that cross  
9 the jurisdictions of a number of standing committees, a multidisciplinary approach is  
10 advisable to examine this important topic.

11           THEREFORE, BE IT RESOLVED that the House of Representatives of the  
12 Legislature of Louisiana does hereby create a special subcommittee of the Committee on

23           BE IT FURTHER RESOLVED that the special subcommittee shall be responsible

25 limitation consolidating the election of officials running for the same type of office,  
26 extending the time period between the opening of the qualifying period and the election, and  
27 the costs associated with conducting elections.

28           BE IT FURTHER RESOLVED that the special subcommittee shall make such  
29 studies as it shall find necessary or appropriate to carry out its purposes; for the purposes of  
30 conducting such studies, the special subcommittee may call upon the staffs of any

1 department, agency, or official of the state for data and assistance, all such departments,  
2 agencies, and officials shall cooperate with the subcommittee, and the subcommittee may  
3 request and utilize the assistance of any and all public and private sources.
