HB 235 Reengrossed

2015 Regular Session

Arnold

Abstract: Authorizes the legislature to provide, by local law, for the incorporation of any area located within a single parish and to change the boundaries of any municipality affected by the incorporation, and removes application of the homestead exemption for general city taxes for property located in Orleans Parish

Present constitution provides that the legislature shall provide by general law for the incorporation, consolidation, merger, and government of municipalities. Provides that no local or special law shall create a municipal corporation, or amend, modify, or repeal a municipal charter. Present constitution provides, however, that a special legislative charter existing on the effective date of present constitution may be amended, modified, or repealed by local or special law.

Proposed constitutional amendment retains present constitution except authorizes the legislature to provide, by local law, for the incorporation of any area located within a single parish, if the parish contains fewer than two incorporated areas on Jan. 1, 2016, and to provide for the exclusion of the area from the boundaries of any existing municipality. Provides that such exclusion shall not be effective until the effective date of such incorporation.

Proposed law provides that the exemption from ad valorem taxes for general city taxes shall not apply to property located in any municipality in the parish of Orleans which exists prior to or after the ratification of the proposed constitutional amendment.

Provides for submission of the proposed amendment to the voters at the statewide election to be held Oct. 24, 2015.

(Amends Const. Art. VI, §2)

Summary of Amendments Adopted by House

The Committee Amendments Proposed by House Committee on Civil Law and Procedure to the engrossed bill:

1. Limit applicability to parishes containing fewer than two incorporated areas.
2. Remove application of the homestead exemption for general city taxes for property located in Orleans Parish.

3. Add technical changes to the ballot language.
