
The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Alan Miller.

SR 187 Original	DIGEST 2015 Regular Session	Chabert
-----------------	--------------------------------	---------

Requests the division of administration and CPRA to fully explore the CMAR project delivery and procurement process, and utilize it to its fullest capability, to expedite the commencement and delivery of multiple large scale coastal restoration projects previously identified by CPRA as necessary to address the state's immediate coastal erosion threat.
