HB 41 Original

2016 First Extraordinary Session

Stokes

Abstract: Eliminates the deductibility of federal income taxes paid when computing state individual and corporate income taxes.

Present constitution authorizes equal and uniform taxes to be levied on net individual and corporate income. Further authorizes the rates for these taxes to be graduated according to the amount of the taxpayer's net income; however, the state individual and joint income tax schedule of rates and brackets are prohibited from exceeding the rates and brackets as they existed on Jan. 1, 2003.

Present constitution authorizes federal income taxes paid to be allowed as a deductible item in computing state income taxes for the same period.

Proposed constitutional amendment changes present constitution by eliminating the deductibility of federal income taxes paid when computing both individual and corporate income tax liability.

Applicable to all tax years beginning on and after Jan. 1, 2017.

Provides for submission of the proposed amendment to the voters at the statewide election to be held Nov. 8, 2016.

(Amends Const. Art. VII, §4(A))
