Abstract: Provides for the sale of sparkling wine or still wine when a Louisiana consumer is on the premises of the wine manufacturer or producer.

Present law allows wine manufacturers or producers to ship directly to consumers in Louisiana when certain conditions are satisfied. Present law further provides the conditions in which a wine manufacturer may ship directly to the consumer.

Present law does not include a sale of wine perfected on the premises of the wine producer or manufacturer.

Proposed law requires the La. consumer to be physically present on the producer or manufacturer's premises and otherwise retains present law.
