

Proposed law retains present law but applies the additional costs and charges to juvenile and family matters.

Present law provides that the monies generated by such costs and fees be forwarded by the clerk of court and sheriff to the fiscal agent bank chosen by the commission to be held in the courthouse construction fund. Also delineates the courts which will be housed in the new facility.

Proposed law retains present law and adds the Juvenile Court to the list.

Effective July 1, 2016.
