HB 868 Engrossed

2016 Regular Session

Hunter

Proposed law authorizes the governing authority of each public school to require that at least one member of the coaching staff of each extracurricular sport offered by the school be certified in cardiopulmonary resuscitation (CPR).

(Adds R.S. 17:81(AA))

Summary of Amendments Adopted by House

The Committee Amendments Proposed by House Committee on Education to the original bill:

1. Instead of requiring public school governing authorities to ensure that at least two members of the coaching staff for each sport are CPR-certified, authorize them to require that at least one member of such staff have such certification.
