## USER'S GUIDE TO THE SUBJECT INDEX

Index entries are entered using a hierarchical arrangement under a main subject heading and subheading. Refer first to the list of Subject Headings on the following page to locate the main subject heading for your topic.

**Appropriations:** Legislation that makes an appropriation will only appear under the *Appropriations* heading.

**Departmental entries:** Only legislation directly affecting the organization and management of a department appears under the department/office entry. All programs and other responsibilities of departments are located under their subject heading(s).

**Legislative studies:** Studies by legislative committees are entered under *Legislative Affairs: Committee Studies*, and under a subject entry as well.

**Non-legislative studies:** Studies by non-legislative entities are entered in a subject section, but not under the agency conducting the study.

**Occupations & Professions:** Most occupations & professions will appear under this heading without an entry under the subject area of their profession. For example, *Physicians* is entered under *Occupations & Professions* and will not appear under *Health*.

**Parish/municipal topics:** Most legislation dealing with parishes and municipalities is entered under a specific subject heading, but is not entered under *Municipal & Parochial Affairs*.

**Retirement systems:** Legislation about the various retirement systems is only entered under *Retirement*. For example, bills dealing with firefighters' retirement will not appear under *Fire Protection & Officers*.

**Special Districts & Authorities:** Legislation about special districts or authorities only has one entry under the *Special Districts & Authorities* heading.

**State Property Transactions:** Legislation that transfers or leases state property is only indexed under *Property: Public Property - State*.
