Subject Index

Regular Session 2025

Prepared by the staff of the David R. Poynter Legislative Research Library LOUISIANA HOUSE OF REPRESENTATIVES

USER'S GUIDE TO THE SUBJECT INDEX

Index entries are entered using a hierarchical arrangement under a main subject heading and subheading. Refer first to the list of Subject Headings on the following page to locate the main subject heading for your topic.

- **Appropriations:** Legislation that makes an appropriation will only appear under the *Appropriations* heading.
- **Departmental entries:** Only legislation directly affecting the organization and management of a department appears under the department/office entry. All programs and other responsibilities of departments are located under their subject heading(s).
- **Legislative/non-legislative studies:** Studies are entered in a subject section, but not under the agency conducting the study.
- **Occupations & Professions**: Most occupations & professions will appear under this heading without an entry under the subject area of their profession. For example, *Physicians* is entered under *Occupations & Professions* and will not appear under *Health*.
- **Parish/municipal topics:** Most legislation dealing with parishes and municipalities is entered under a specific subject heading, but is not entered under *Municipal & Parochial Affairs*.
- **Retirement systems:** Legislation about the various retirement systems is only entered under *Retirement*. For example, bills dealing with firefighters' retirement will not appear under *Fire Protection & Officers*.
- **Special Districts & Authorities:** Legislation about special districts or authorities only has one entry under the *Special Districts & Authorities* heading.
- **State Property Transactions**: Legislation that transfers or leases state property is only indexed under *Property: Public Property State*.
