

## **RÉSUMÉ DIGEST**

**ACT 73 (SB 28)**

**2016 Regular Session**

**Perry**

Prior law required that the elected chief of police of a municipality be an elector of the municipality and that at the time of qualification as a candidate for the office of chief of police, the candidate has been domiciled for at least the immediately preceding year in the municipality.

Prior law did not apply to the village of Napoleonville and also allowed a person residing outside the corporate limits of the village of Maurice to be elected chief of police of Maurice.

New law retains prior law and provides an additional exception by authorizing a person residing outside the corporate limits of the town of Gueydan, but within Ward 3 of Vermilion Parish, to be elected chief of police of the town.

Effective August 1, 2016.

(Amends R.S. 33:385.1 (A))
