SUNSET LAW: Re-creates the Department of Natural Resources

**Synopsis of Senate Amendments**

1. Made technical changes only.

**Digest of Bill as Finally Passed by Senate**

Present law requires the Dept. of Natural Resources to terminate one year from July 1, 2016, and to begin termination on July 1, 2016, unless legislation is enacted to re-create the department prior to that date.

Proposed law requires the Dept. of Natural Resources to terminate on July 1, 2021, and to begin the process of terminating on July 1, 2020. Supersedes provisions of "Sunset Law" requiring certain procedures for re-creation and a separate bill to re-create each statutory entity within the department.

Effective June 30, 2016.
