

RÉSUMÉ DIGEST

ACT 192 (SB 189)

2016 Regular Session

Johns

Prior law provided that the only exception to dispensing restrictions imposed by prior law is if the prescription monitoring information from the state of the prescriber may be viewed by the dispensing pharmacist. New law provides that an additional exception will be if the prescriber includes on the prescription that it is for a patient with a diagnosis of cancer or terminal illness.

Effective upon signature of the governor (May 26, 2016).
