2 To urge and request the Judicial Council and its Standing Committee to Evaluate Requests

5 practices for the use and collection of court costs and fees, and to limit the number
6 of instruments creating new or increasing court costs of fees by the Louisiana
7 Legislature which are subject to Judicial Council review until sixty days after the
8 adjournment of the 2017 Regular Session of the Legislature.

9 WHEREAS, the Judicial Council of the Supreme Court (Judicial Council) was
10 established in 1950, and through its standing and ad hoc committees, serves as the research

7 relationship between the fee or court cost imposed and the costs of the administration of
8 justice; and

9 WHEREAS, the Louisiana Legislative Auditor issued a report on April 2, 2014,
10 regarding the collection of court costs and fees, finding that Louisiana does not have an
11 effective process for collecting court costs and fines in judicial districts; and

12 WHEREAS, the Louisiana Legislative Auditor recommended providing education

15 WHEREAS, the Louisiana Legislative Auditor provided the following initial
16 suggestions to the Judicial Council's Standing Committee to Evaluate Requests for Court
17 Costs and Fees (Court Cost Committee) to improve the court cost system:

19 (2) Develop best practices and a central oversight agency to assist courts in tracking
20 assessed costs and fees and improving collections.

21 (3) Examine the entire court cost system to determine if the issue is the amount of
22 the costs, the collections system, or both.

23 (4) Inform policymakers of system changes needed; and

24 WHEREAS, as part of its assessment of its role and value to the court cost process,
25 the Court Cost Committee, gathered information on court costs and fees currently collected

27 WHEREAS, the Court Cost Committee met with groups who have an interest in the
28 judicial system, including district attorneys, indigent defense attorneys, sheriffs, city court
29 clerks, parish clerks of court, city court judges, parole and probation officers, the Louisiana
30 Association of Business and Industry, and the Office of Debt Recovery; and

1 WHEREAS, the Court Cost Committee requested information on civil and criminal
2 court costs and fees currently charged in every state court; and

3 WHEREAS, the Court Cost Committee reviewed only costs and fees as defined in
4 R.S. 13:62(A), assessed by the Supreme Court, courts of appeal, and district, family,
5 juvenile, city, parish, municipal, and traffic courts falling under the authority of the Judicial
6 Council; and

7 WHEREAS, the Court Cost Committee submitted its Interim Report to the Judicial
8 Council on March 7, 2016; and

9 WHEREAS, the Interim Report detailed the actions taken by the Court Cost
10 Committee regarding the study of court costs and fees from February 14, 2014, to December
11 31, 2015; and

12 WHEREAS, the Court Cost Committee has recommended that the Louisiana
13 Legislature limit the number of instruments introducing new court costs and fees until the
14 Court Cost Committee completes its study of the court cost system and evaluates its initial
15 changes to simplify and improve the court cost system as a whole.

16 THEREFORE, BE IT RESOLVED that the Judicial Council and its Court Cost
17 Committee, in cooperation with the legislature, is hereby urged to continue its study of the
18 use and collection of court costs and fees related to the operational needs of the judicial
19 system, develop and recommend best practices for the use and collection of court costs and
20 fees, and to make recommendations to the legislature regarding changes in the law which
21 are necessary to implement best practices.

22 BE IT FURTHER RESOLVED that the Louisiana Legislature does respectfully
23 request that the Court Cost Committee along with the National Center for State Courts
24 implement the following recommendations to increase efficiency and ensure fairness in the
25 current court cost system:

26 (1) Creation of a database listing all required and optional fines and fees that may
27 be charged.

28 (2) Establishment of an effective system for tracking assessed and collected fines,
29 fees, and costs, searchable by individual and date of payment.

1 (3) Development of Louisiana-specific statewide best practices and supporting
2 courts as they implement those best practices.

3 (4) Publication of statewide guidelines on collecting and distributing partial
4 payments for court costs and fees.

5 (5) Determination of the point at which increased fees no longer generate increased
6 income, in light of the person's ability to pay and other factors.

7 BE IT FURTHER RESOLVED that the Louisiana Legislature shall limit the
8 adoption of any new or increased court cost or fee as defined by, and subject to the
9 provisions of, R.S. 13:62 until sixty days after the adjournment of the 2017 Regular Session
