

HOUSE SUMMARY OF SENATE AMENDMENTS**HCR 87****2016 Regular Session****Hoffmann**

ABORTION: Requests a study and report by the Dept. of Health and Hospitals concerning the possibility of reversing the effects of an abortion induced with drugs or chemicals

Synopsis of Senate Amendments

1. Provides that the Dept. of Health and Hospitals shall convene a panel of experts in obstetrics and gynecology and pharmacology to provide guidance on the study and report required by the Resolution concerning the possibility of reversing the effects of an abortion induced with drugs or chemicals, and that the panel shall be composed of the following members:
 - (a) The chair of the Department of Obstetrics and Gynecology at Louisiana State University Health Sciences Center at Shreveport or his designee.
 - (b) The chair of the Department of Obstetrics and Gynecology at the Louisiana State University Health Sciences Center at New Orleans or his designee.
 - (c) The chair of the Department of Obstetrics and Gynecology at Tulane University School of Medicine or his designee.
 - (d) The dean of the College of Pharmacy at Xavier University of Louisiana or his designee.
 - (e) The dean of the University of Louisiana at Monroe School of Pharmacy or his designee.
 - (f) The dean of the Southern University School of Nursing or his designee.

Digest of Bill as Finally Passed by Senate

Urges and requests the Dept. of Health and Hospitals to study whether the effects of an abortion induced with drugs or chemicals can be reversed and to report findings and recommendations concerning this matter to the legislative committees on health and welfare no later than 30 days prior to the convening of the 2017 R.S.
