The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Jerry J. Guillot.

DIGEST 2016 Regular Session

Brown

Requests the governing authority of each port and of each levee district to meet with the senators

representing each senatorial district in which the port or levee district is located on or before April 1, 2017, and annually thereafter, to provide a report for the previous calender year which shall include:

(1) A personnel table of all current employees including:

SR 167 Original

- (a) Number of current employees and respective salary and vacant positions.
- (b) For each current employee and vacant position, whether in classified or unclassified civil service.
- (c) Total number of current employees by race and gender.
- (d) Number of administrative positions, filled and vacant and total number of administrative employees by race and gender.
- (2) List of each professional, personal, or consulting service contract in force, including type of professional service contemplated, general purpose, and contract amount.
- (3) Hiring history for previous three years by race and gender.
