

RÉSUMÉ DIGEST

SR 167

2016 Regular Session

Brown

Requests the governing authority of each port and of each levee district to meet with the senators representing each senatorial district in which the port or levee district is located on or before April 1, 2017, and annually thereafter, to provide a report for the previous calendar year which shall include:

- (1) A personnel table of all current employees including:
 - (a) Number of current employees and respective salary and vacant positions.
 - (b) For each current employee and vacant position, whether in classified or unclassified civil service.
 - (c) Total number of current employees by race and gender.
 - (d) Number of administrative positions, filled and vacant and total number of administrative employees by race and gender.
- (2) List of each professional, personal, or consulting service contract in force, including type of professional service contemplated, general purpose, and contract amount.
- (3) Hiring history for previous three years by race and gender.
