DIGEST OF THE SENATE BILL AS RETURNED TO THE SENATE

DIGEST

SB 443 Reengrossed

2016 Regular Session

Hewitt

Present law provides the duties of the Health and Social Services Estimating Conference to be developing official information relating to the health and social service system of the state, including forecasts of social and health service caseloads, as the conference determines is needed for the state planning and budgeting system. Provides that the principals of the Conference are the following persons:

- (1) One member of the professional staff of the office of the governor to be appointed by the governor.
- (2) One member of the professional staff of the division of administration to be appointed by the commissioner of administration.
- (3) One member of the professional staff of the legislature who shall have fiscal expertise to be appointed by the president of the Senate.
- (4) One member of the professional staff of the legislature who shall have fiscal expertise to be appointed by the speaker of the House of Representatives.
- (5) One member of the professional staff of the Department of Health and Hospitals (DHH) who shall have forecasting expertise to be appointed by the secretary of DHH.
- (6) One member of the professional staff of the Department of Children and Family Services (DCFS) who shall have forecasting expertise to be appointed by the secretary of DCFS.

Proposed law retains these provisions and adds additional persons as principals to the Conference:

- (1) The chairman of the Senate Committee on Health and Welfare, or his designee.
- (2) The chairman of the House Committee on Health and Welfare, or his designee.
- (3) The chairman of the Senate Committee on Finance, or his designee.
- (4) The chairman of the House Committee on Appropriations, or his designee.
- (5) The secretary of DHH, or his designee.

- (6) The secretary of DCFS, or his designee.
- (7) The legislative fiscal officer, or his designee who shall have healthcare experience.
- (8) A faculty member specializing in healthcare economics from a public or private university in the state, selected by the other principal members from a list submitted by the Board of Regents.

Present law provides that the principal representing the office of the governor shall preside over sessions of the conference. Proposed law provides for the chairmanship to rotate annually among the four legislative committee chairmen serving as principals.

Proposed law further requires the conference to meet at least quarterly to receive information from the Medicaid Subcommittee.

Proposed law provides for a Medicaid Subcommittee of the conference responsible for developing forecasts and reviewing information related to the Medicaid Program, including the number of Medicaid enrollees, eligibility criteria, rate of utilization and growth in the cost of services, provider reimbursement methodologies, and the factors used in developing the per-member-per-month premiums paid to the Medicaid managed care companies.

Proposed law creates the Medicaid Subcommittee of the Conference composed of the following persons:

- (1) One member of the professional staff of the division of administration to be appointed by the commissioner of administration.
- (2) One member of the professional staff of the legislature who shall have fiscal expertise to be appointed by the president of the Senate.
- (3) One member of the professional staff of the legislature who shall have fiscal expertise to be appointed by the speaker of the House of Representatives.
- (4) One member of the professional staff of DHH who shall have forecasting expertise to be appointed by the secretary of DHH.
- (5) The legislative fiscal officer, or his designee who shall have healthcare experience.
- (6) A faculty member specializing in healthcare economics to be selected by members of the conference.

Proposed law provides that the chairmanship of the subcommittee shall rotate biennially among the professional legislative staff appointed by the president of the Senate and the speaker of the House of Representatives.

Proposed law provides that the subcommittee meet as follows in the months indicated:

- (1) In September, to establish an initial forecast for the ensuing fiscal year which shall be utilized by the Department of Health and Hospitals in formulating its budget request.
- (2) In December, to revise the forecast for the ensuing fiscal year which shall be utilized in the preparation of the executive budget recommendations by the state budget office.
- (3) In April, to revise the forecast for the ensuing fiscal year which shall be utilized by the legislature in its adoption of a state budget for the ensuing fiscal year.
- (4) In July, to discuss the forecast for the current fiscal year as compared to the current year appropriation.

Proposed law authorizes the subcommittee to review any aspects of the Medicaid program as provided for in proposed law. Further authorizes any principal of the conference to request that the subcommittee meet to discuss a specific issue. Requires the subcommittee to submit a summary report to the conference of topics discussed and any actions taken.

Effective August 1, 2016.
