Requires the Board of Regents to conduct a comprehensive review of the postsecondary needs of the state and each of its regions. (gov sig)

Proposed law requires the Board of Regents (BOR) to conduct a comprehensive review of the present postsecondary education system in the state and recommend the optimal delivery of postsecondary education to meet the needs of the state's citizens and industries. Proposed law requires that the report shall include the following: 1) a description of the state's educational assets; 2) a description of the educational demands; 3) a description of the gaps; 4) recommendations on how to efficiently and cost-effectively close the gaps; 5) a discussion of the barriers to developing an integrated public postsecondary education enterprise; and 6) an executive summary of recommendations to ensure the state's public postsecondary education system is operating in a comprehensive, efficient, cost effective and integrated manner. Proposed law provides that the Department of Economic Development, the LA Workforce Commission, and each public postsecondary institution, management board, and system shall fully cooperate with the BOR and provide data and assistance as requested to the BOR in producing the report. Effective upon signature of the governor or lapse of time for gubernatorial action.

**EXPENDITURE EXPLANATION**

The proposed legislation will not result in any additional expenditures by the Board of Regents to conduct a comprehensive review and evaluation of the educational demands of the state and its regions and compile a report on the information. The Board of Regents currently collects and publishes the majority of the information requested in this legislation. Information not collected by the Board of Regents is collected by the management boards and can be provided to the Board of Regents.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
