15 (iv) Effective from August 1, 2012, through July 31, ~~2016~~ 2018, no truck  
16 hauling ready-mixed concrete shall be assessed a penalty for exceeding its maximum  
17 permissible gross weight, as determined by law, provided the total excess weight is  
18 ten percent or less of such truck's maximum permissible gross weight, such truck  
19 contains a certificate evidencing its most recent mixer chip-out of build-up occurred  
20 within the previous ninety days, such truck does not exceed the posted load while  
21 crossing a posted bridge, such truck is not operating on the interstate system, and no  
22 tire on such truck exceeds its tire weight rating. If such truck's total excess weight

1 is greater than ten percent of its maximum permissible gross weight, as determined  
 2 by law, such truck shall be assessed a penalty calculated on the total amount by  
 3 which the truck's weight exceeds its maximum permissible gross weight, as  
 4 determined by law. For the purposes of this Item, a "ready-mixed concrete truck"  
 5 is defined as a vehicle designed exclusively to transport or manufacture ready-mixed  
 6 concrete and includes a concrete pump truck engaged in hauling ready-mixed  
 7 concrete.
