

RÉSUMÉ DIGEST

ACT 225 (HB 582)

2016 Regular Session

Jackson

Prior law provided for the crime of aggravated assault upon a peace officer with a firearm, punishable by imprisonment for one to ten years, with or without hard labor, a fine of not more than \$5,000, or both.

New law retains prior law except it removes the element of the offense specifying that the aggravated assault must be committed with a firearm. Makes changes in other provisions of existing law to provide for consistency.

Effective August 1, 2016.

(Amends R.S. 14:2(B)(32) and 37.2 and R.S. 15:642(2)(b))
