

RÉSUMÉ DIGEST

HR 38

2016 Second Extraordinary Session

Norton

Requests the state Dept. of Education to study and evaluate the effectiveness of current state policy to address and prevent student bullying and to submit a written report of its findings and recommendations to the House Committee on Education prior to the 2017 R.S. Provides that such report shall include statistical data on the number and type of all bullying incidents reported by public school governing authorities and recommendations for any changes necessary to strengthen the current laws and policies on bullying.
