

RÉSUMÉ DIGEST

ACT 635 (HB 635)

2016 Regular Session

Hunter

Existing law provides for the crimes of video voyeurism, voyeurism, and Peeping Tom. All of the crimes involve the uninvited observation of another for lewd or lascivious purposes.

New law includes the use of unmanned aircraft systems as an element of the crimes of video voyeurism, voyeurism, and Peeping Tom.

New law defines an "unmanned aircraft system" as an unmanned, powered aircraft that does not carry a human operator, can be autonomous or remotely piloted or operated, and can be expendable or recoverable.

Effective August 1, 2016.

(Amends R.S. 14:283(A)(1), 283.1(A), and 284(B); Adds R.S. 14:283(G), 283.1(C), and 284(D))
