

RÉSUMÉ DIGEST

ACT 5 (HB 515)

2016 Regular Session

Anders

Existing law provides that the requirement for the inspection of the slaughter of animals and the preparation of carcasses, parts thereof, meat and meat food products does not apply when certain conditions are met.

New law modifies existing law by removing the slaughter of animals from the exemption of inspection.

Effective August 1, 2016.

(Amends R.S. 3:4215(B)(intro. para.))
