

**RÉSUMÉ DIGEST**

**ACT 7 (HB 179)**

**2016 Regular Session**

**White**

Existing law requires any person hunting any wildlife during the open gun season to display not less than 400 sq. inches of "hunter orange". Allows a hunter orange hat as an alternative to the 400 sq. inch requirement.

New law adds "blaze pink" as an alternative to hunter orange. Defines "blaze pink" as a daylight fluorescent pink color.

Effective August 1, 2016.
