

**RÉSUMÉ DIGEST**

**HR 178**

**2016 Regular Session**

**Hunter**

Urges and requests the Dept. of Transportation and Development to evaluate and report on the feasibility of tolling highways and bridges in Louisiana and implementing local option motor fuel taxes in Louisiana.

Requires the report include a summarization of lessons learned from tolling operations that took place on the Crescent City Connection and of best practices for the implementation of local option motor fuel taxes.

Requires the report be submitted to the House and Senate committees on transportation, highways and public works and the state representative representing District No. 17 no later than Feb. 1, 2017.
