

RÉSUMÉ DIGEST

ACT 235 (HB 118)

2016 Regular Session

Montoucet

Existing law requires that the salaries of firemen in municipalities with a population of 12,000 or more and of all parish and fire protection district firemen shall be paid semi-monthly no later than the 5th and 12th day of each month.

Existing law authorizes the city of Lafayette, the Fire Protection District Number One of the parish of Ouachita, the city of Baton Rouge, and any fire protection district in East Baton Rouge Parish to pay the salaries of firemen on a biweekly basis. New law authorizes the governing authority of the city of Crowley to pay the salaries of its firemen on a biweekly basis.

Effective August 1, 2016.
