

RÉSUMÉ DIGEST

ACT 21 (HB 109)

2016 Regular Session

Terry Brown

Prior law authorized the commissioner to issue an additional hang tag to a person with a mobility impairment if that person was dependent on both parents who are divorced and residing in separate households.

New law modifies prior law by authorizing the commissioner to issue up to three additional hang tags on behalf of any person with a mobility impairment, instead of solely to mobility impaired dependents of divorced parents residing in separate households.

Effective August 1, 2016.
