

RÉSUMÉ DIGEST

ACT 81 (HB 175)

2016 Regular Session

Hilferty

Existing law requires the State Bd. of Elementary and Secondary Education to promulgate regulations for early learning center licensing. Provides that such regulations accomplish certain actions as specified in existing law including promoting the health, safety, and welfare and ensuring adequate supervision of children attending early learning centers. New law adds a requirement that such regulations include requirements for employees to receive training in recognition and prevention of shaken baby syndrome. New law further adds a requirement that the Dept. of Health and Hospitals, office of public health, provide information and resources to the state Dept. of Education for such training and for other areas of training required for employees of early learning centers. Requires the state Dept. of Education to post the information and resources on its website.

Effective August 1, 2016.
