HB 252 Original

2017 Regular Session

Schexnayder

Abstract: Specifies that the office of animal health and food safety is responsible for the regulation of commercial feeds, instead of the office of agricultural and environmental sciences.

Present law specifies that the office of agricultural and environmental sciences is responsible for administering the provisions of law relating to commercial feeds.

Proposed law modifies present law by specifying that the office of animal health and food safety is responsible for the regulation of the manufacturing and sale of commercial feeds, instead of the office of agricultural and environmental sciences.
