HB 291 Original

2017 Regular Session

Danahay

Abstract: Authorizes the governing authorities of Calcasieu Parish and Cameron Parish to increase the per diem paid to members of the board of commissioners of the Calcasieu Cameron Hospital Service District.

Present law generally provides that hospital service districts are governed by a board of five commissioners. Provides that the governing authority of the parish in which the district is located may permit payment of a per diem to each member of the commission in an amount of not less than \$25 nor more than \$40 for attendance at meetings, not to exceed 12 meetings per year.

Present law provides that the maximum per diem for the Calcasieu Cameron Hospital Service District is \$100. Proposed law increases the maximum per diem for that district to \$300; otherwise retains present law.
