Abstract: Repeals the deductibility of federal income taxes paid for purposes of calculating corporate income taxes.

Present constitution and present law authorize a state deduction for federal income taxes paid for purposes of computing income taxes for the same period.

Present law provides for the computation of La. taxable income for a resident estate or trust, including provisions for the federal income tax deduction, limitations of deductions for net income, provisions for the federal deduction for alternative minimum tax, and the authority of the secretary of the Dept. of Revenue to consider reductions to the federal income tax deduction and the determination of the deductible portion of an alternative minimum tax.

Proposed law retains present law except as it applies to the deductibility of federal income taxes.

Applicable for all taxable periods beginning on or after Jan. 1, 2018.

Effective Jan 1, 2018, if the proposed amendment of Article VII of the Constitution of La. contained in the Act which originated as House Bill No. ___ of this 2017 R.S. of the Legislature is adopted at a statewide election and becomes effective.
