## DIGEST 2017 Regular Session

Allain

<u>Present law</u> requires that, except for those funds specifically enumerated in the state constitution, all license revenue and donations collected by the La. Wildlife and Fisheries Commission, from every source, shall be paid into the state treasury and be credited to the Bond Security and Redemption Fund prior to being deposited into the proper fund or account.

<u>Proposed law</u> removes the requirement in <u>present law</u> for certain enumerated funds, including the Artificial Reef Development Fund, the Lifetime License Endowment Trust Fund, and the MC Davis Conservation Fund. <u>Proposed law</u> requires the license revenue and donations generated for these funds be paid into the treasury and directed to those funds or accounts.

Effective upon signature of the governor or lapse of time for gubernatorial action.

SB 192 Original
