SB 199 Original

DIGEST
2017 Regular Session

Erdey

Proposed law provides that a public entity may borrow or use public equipment belonging to another public entity without rendering payment to the entity that owns the equipment as long as both entities have the approval of their governing authorities.

Proposed law defines "public entities" as the following:

- (a) state boards, agencies or commissions, parishes, municipalities, city parish, and other local school boards and districts, levee boards and districts, port boards and commissions, port, harbor terminal and industrial districts, drainage and land reclamation districts, all special service districts including but not limited to road, water, sewage, fire protection, recreation, hospital service, and gas utility districts.
- (b) all other political subdivisions, special authorities, commissions, public trusts, and boards heretofore or hereafter created by or pursuant to the constitution or statutes of the state, any laws incorporated into or ratified or confirmed by the constitution, or general or special charters of any parish or municipality.
- (c) all other units of local government created or governed by the governing authorities of parishes or municipalities.

Effective upon signature of the governor or lapse of time for gubernatorial action.
