SB 104 Engrossed DIGEST Appel
2017 Regular Session

Present law regulates the bid procedure for contractors.

Present law requires that all architects, engineers, and awarding authorities place in their bid specifications the requirement that a contractor shall certify that he holds an active license and show his license number on the bid envelope.

Proposed law provides that the bid specifications require that the contractor certify he holds an active license by displaying his license number on the bid envelope.

Present law provides that if the bid does not contain the contractor's certification and show the contractor's license number on the bid envelope, the bid shall be automatically rejected.

Proposed law provides that if the bid does not display the contractor's license number, the bid shall be automatically rejected.

Effective August 1, 2017.
