HB 298 Engrossed

2017 Regular Session

Robby Carter

Abstract: Decreases the amount of college credit needed for certification and licensing of agricultural consultants.

Present law requires new applicants for an agricultural consultant's certificate to furnish satisfactory evidence that they have earned at least four hours of college credit in each discipline area for which certification is sought.

Proposed law modifies present law by reducing the amount of college credit from four hours to three hours.

(Amends R.S. 3:3246(D)(3))
