19 (2) ~~Based on the initial suitability mapping required by this Section,~~
20 ~~any update or revisions to the initial suitability mapping;~~ (a) The department
21 shall determine areas that are unsuitable or inappropriate for alternative
22 oyster culture activities due to creation of unreasonable conflicts with other
23 existing or anticipated uses of state waters and water bottoms, including but
24 not limited to integrated coastal protection projects as defined in R.S.
25 49:214.2. The department shall base all rules, regulations, and decisions
26 regarding AOC permits on any master plan or annual plan issued pursuant to
27 R.S. 49:214.5.3; and any other information and data deemed relevant by the
28 department; ~~the~~ The department may grant an AOC permit for a different
29 location, size, or configuration, and for different alternative oyster culture
30 activity than what was requested in the application.
