HB 126 Reengrossed

2017 Regular Session

Bacala

**Abstract:** Requires that the payments from a judgment garnishing wages be processed first by the sheriff, marshal, or constable before going to the creditor and allows the constable of a justice of the peace to collect a 6% fee for collecting money for execution of a writ of fieri facias.

Present law requires that in specific garnishment proceedings, a judgment shall be rendered which provides for payment to seizing creditors.

Proposed law allows the constable of a justice of the peace to receive a 6% fee for collecting money for execution of a writ of fieri facias, without either seizure or sale.

Proposed law amends present law to require that the sheriff, marshal, constable, or justice of the peace first receive the payment from certain garnishment proceedings for processing before the payment is made to the seizing creditor.
