SB 189 Engrossed DIGEST Colomb
2017 Regular Session

Present law provides that no public servant shall receive anything of economic value, other than compensation and benefits from the governmental entity to which he is duly entitled, for the performance of duties and responsibilities of his office or position.

Proposed law provides an exception to present law by allowing public school teachers or administrators who participate in the National Math and Science Initiative to receive an award for the time spent performing for the benefit of his governmental entity.

Effective upon signature of the governor or lapse of time for gubernatorial action.
