BY SENATORS MARTINY AND ALARIO

A RESOLUTION

To designate the week of May 21 through May 27, 2017, as Emergency Medical Services Week, highlighting the theme of "EMS Strong: Always in Service".

WHEREAS, in 1974, President Gerald Ford authorized Emergency Medical Services Week to celebrate these services and the important work that those who work in that area of healthcare do in the nation's communities; and

WHEREAS, in the forty-three years since that first week of recognition, emergency medical services have helped to save lives by responding to medical emergencies, including heart attack, difficulty breathing, a fall or accident, drowning, cardiac arrest, stroke, drug overdose, and any other acute medical situations; and

WHEREAS, emergency medical services are an essential public function and a vital part of the medical care continuum; and

WHEREAS, the members of emergency medical services teams are ready to provide lifesaving care to those in need, twenty-four hours a day and seven days a week; and

WHEREAS, access to quality emergency care dramatically improves the survival and recovery rate of those who experience sudden illness or injury; and

WHEREAS, emergency medical services have grown to fill a gap by providing important, out-of-hospital care, including preventative medicine, follow-up care, and access to telemedicine; and

WHEREAS, the emergency services system consists of first responders, emergency medical technicians, paramedics, emergency medical dispatchers, firefighters, police officers, educators, administrators, prehospital nurses, emergency physicians, trained members of the public, and other out-of-hospital medical providers; and

WHEREAS, the members of emergency medical services teams, whether career or volunteer, engage in thousands of hours of specialized training and continuing education to enhance their lifesaving skills; and

WHEREAS, it is appropriate to continue the annual occasion to recognize and celebrate the value and accomplishments of emergency medical service providers by designating Emergency Medical Services Week, May 21 through May 27, 2017, highlighting a theme of "EMS Strong: Always in Service".

THEREFORE, BE IT RESOLVED that the Senate of the Legislature of Louisiana does hereby designate the week of May 21 through May 27, 2017, as Emergency Medical Services Week, keeping to a theme of "EMS Strong: Always in Service".

BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to Deputy Fire Chief Terry Blanchard, president of the Louisiana Association of Nationally Registered Emergency Medical Technicians.
