

HOUSE SUMMARY OF SENATE AMENDMENTS

HB 341

2017 Regular Session

Dustin Miller

HEALTH/BEHAVIORAL: Amends laws relative to behavioral health and mental health to provide for current practice and appropriate terminology

Synopsis of Senate Amendments

1. In present law and proposed law relative to scholarships to a Louisiana State University medical school awarded to candidates recommended by the director of the Eastern La. Mental Health System forensic unit, provide that information concerning any such scholarships shall be published on the La. Dept. of Health website. Provide further that such information shall include the name of the scholarship recipient and the award amount.
2. Insert references to medical psychologists alongside references to physicians in certain provisions of present law relative to procedure for judicial commitment.
3. Change an instance of "superintendent" to "director or administrator" in a provision of present law for consistency with terminology changes instituted by proposed law.

Digest of Bill as Finally Passed by Senate

Proposed law changes the heading of Title 28 of the La. Revised Statutes of 1950 from "Mental Health" to "Behavioral Health".

Proposed law defines "behavioral health" as a term which is used to refer to both mental health and substance use.

Proposed law amends present law relative to behavioral health, mental health, treatment of mental illness and substance-related and addictive disorders, and facilities for and providers of such treatment to reflect current healthcare practices.

Proposed law amends present law to institute new terminology and definitions of terms in laws pertaining to behavioral health and mental health.

Proposed law revises present law to reflect current healthcare practices and terminology relative to the following:

- (1) Healthcare services for persons with mental illness and substance-related and addictive disorders.
- (2) Care and treatment of persons with behavioral health needs, and facilities for and providers of such care and treatment.
- (3) Administration of state psychiatric hospitals.

Proposed law repeals present law providing for the following:

- (1) The defined term "informal voluntary admission" and its corresponding definition.
- (2) A behavioral health implementation advisory committee which was dissolved on July 1, 2011.

- (3) Delivery of inpatient and outpatient services at the New Orleans Adolescent Hospital by the La. Department of Health.
- (4) Authorization for the governing body of a treatment facility to grant staff membership, specifically delineated institutional privileges, or both, to any duly licensed, certified, or registered healthcare provider.
- (5) A requirement that a reputable woman attendant accompany a female patient while traveling.
- (6) Authorization for the superintendent of a mental institution to release an improved patient on convalescent status subject to certain conditions.
- (7) Penalties for maltreatment of a patient of a mental institution.
- (8) The Uniform Act for the Extradition of Persons of Unsound Mind.
- (9) Authorization for the superintendents of state mental institutions, and other persons whom the superintendents may deputize, to make arrests for the violation of laws designed to protect the property and patients of the institutions.

Proposed law makes technical changes and corrections in present law relative to mental health and behavioral health.
