<b>Subject:</b> Tax Clearance Requirement: Procurement Contracts		

TAX RETURN EN SEE FISC NOTE GF RV See Note Page 1 of 1

Requires a tax clearance from the LA Dept. of Revenue (LDR) for the issuance or renewal of a tax resale certificate and the approval of certain state procurement contracts.

Current law provides for the requirement of a signed sales tax clearance from LDR for the issue or renewal of certain licenses or permits.

Proposed law requires the submission of a signed tax clearance from LDR prior to the approval of state procurement contracts, subcontracts, or requests for proposal for state contracts. The clearance must indicate that LDR has determined that the person, entity, contractor, vendor, or group is current in filing and payment all taxes, fees, interest, or penalties owed to the state, or has resolved the assessment or made satisfactory arrangements to pay the liability. The bill also provides for exceptions for procurements under emergency conditions and contracts that are the sole source of a required product, and exempts certain contracts from the clearance requirement. Proposed law is applicable prospectively to requests for certificates and contracts submitted on or after October 1, 2017.

Effective upon governor's signature.
