EXPENDITURE EXPLANATION

Proposed law will have no direct material effect on state general fund (SGF) expenditures in FY 18 or subsequent years.

The proposed law resolves conflicting provisions in RS 17:5002 as a result of Act 18 and Act 503 of 2016. As a result of Act 18, the present law provides that the TOPS award amounts will be equal to the TOPS award amount paid at the institution in FY 17 (RS 17:5002 A.(2)). In addition, the present law provides that the TOPS award amounts will be equal to the tuition charged at the institution in FY 17 (RS 17:5002 B.(1)). The original legislative intent of Act 18 of 2016 was to cap the TOPS award amount at the tuition amount in FY 17.

Act 503 of 2016 provides that in the event the legislature appropriates insufficient funds to fully fund the TOPS awards, the reduction of the award and stipend amounts will be on a pro rata basis. As a result of a TOPS funding shortfall in FY 17 and Act 503 of 2016, the TOPS award amounts were reduced on a pro rata basis resulting in an average TOPS award of 67% of the FY 17 max amount (FY 17 max award amount is equal to the FY 17 tuition at each institution).

The proposed law will resolve the differing interpretations and will set the projected need at the FY 17 tuition by institution. To the extent TOPS is fully funded, it will require an increase in SGF expenditures of \$81.9 M in FY 18.
