

RÉSUMÉ DIGEST

SR 216

2017 Regular Session

Mizell

Requests the Department of Children and Family Services to remove the name of an individual from the state central registry for abuse and neglect, if a risk evaluation panel has issued a written finding that the individual poses no risk to children.

Requires that the department secretary submit a written report detailing the actions taken in response to this Resolution to the Senate Committee on Education, the House Committee on Education, and the state superintendent of education not later than February 1, 2018.
