

RÉSUMÉ DIGEST

HR 156

2017 Regular Session

Hunter

Requests the La. Dept. of Health to lead a collaborative effort to improve public drinking water quality in this state, and to develop recommendations to the legislature concerning effective and responsible practices to improve and maintain the quality of drinking water provided by water utility systems.

Requires the dept. to report its findings to the House Committee on Health and Welfare no later than 30 days prior to the convening of the 2020 R.S.

Also, requires the dept. to submit interim reports to each regular session until the submission of the final report.
