2018 Regular Session

Ivey

Abstract: Requires the payment of employer contributions for all retirees who return to work in a position covered by the Clerks' of Court Retirement and Relief Fund (the system) and extends the time period during which a retiree may return to work without benefit reduction.

Present law allows retirees of the system to be temporarily reemployed by a clerk without becoming a member of the system during such reemployment. Present law further provides that if the retiree is reemployed in any capacity for more than the equivalent of 60 working days during any calendar year, the retirement benefits shall be reduced by the amount he earned after 60 working days. Proposed law increases the time period that a retiree may work during a calendar year without benefit reduction from 60 working days to 90 working days.

Present law requires that employers remit employer contributions to the system while the member is an active member. Proposed law requires that employers pay employer contributions to the system as provided by present law during any period of reemployment on or after June 30, 2018. Proposed law applies to retirees who return to work in part-time or full-time positions. Upon termination of reemployment, proposed law provides for the system to retain the employer contributions and interest on such contributions.

Present law provides that a retiree who was receiving retirement benefits from the system on Jan. 1, 2007, may be reemployed by a clerk whose office is located in a parish designated under the Robert T. Stafford Disaster Relief and Emergency Assistance Act as eligible for individual assistance or individual and public assistance following hurricane Katrina or Rita without benefit reduction for up to 180 working days. Present law provides that such provision, except as it applies to retirees reemployed by the clerk of the Orleans Parish Civil District Court, expired on July 1, 2012. Present law further provides for temporary reemployment of a retiree employed by the clerk of the Orleans Parish Civil District Court on or before June 30, 2012, under the same conditions. Present law provides that such provision expired on July 1, 2013. Proposed law repeals present law.

Present law provides that a retiree who was receiving retirement benefits from the system on Jan. 1, 2007, and who is temporarily reemployed by the Orleans Parish Civil District

Court on or before June 30, 2012, may work for a period of 90 working days during a calendar year. Present law provides that such provision expired on July 1, 2014. Proposed law repeals present law.

Effective July 1, 2018.
