

2018 Regular Session

HOUSE CONCURRENT RESOLUTION NO. 1

BY REPRESENTATIVE HOLLIS

WATER/SEWER OPERATORS: Creates the Sanitary Sewer Systems Overflows Commission

1 A CONCURRENT RESOLUTION

2 To create the Sanitary Sewer Systems Overflows Commission to study and make
3 recommendations on actions necessary to timely report, reduce, and eliminate
4 sewage overflows.

5 WHEREAS, a sanitary sewer overflow occurs when there is an overflow, spill, or
6 release of raw or partially treated sewage from a sanitary sewer collection system out of
7 manholes and onto city streets, playgrounds, and into streams, before it reaches a sewage
8 treatment plant; and

9 WHEREAS, the federal Clean Water Act and the Louisiana Environmental Quality
10 Act prohibits such discharges of pollutants and also requires proper operation and
11 maintenance of sewage collection systems and treatment facilities; and

12 WHEREAS, people may come into contact with released raw sewage through
13 swimming and fishing, in neighborhoods from flooding streets, and through contaminated
14 drinking water; and

15 WHEREAS, contact with raw sewage exposes people to a variety of pathogenic
16 microorganisms, viruses, and intestinal worms and can lead to illnesses such as cholera,
17 dysentery, hepatitis, and gastroenteritis; and

18 WHEREAS, the United States Environmental Protection Agency estimates that there
19 are twenty-thousand separate sanitary sewer systems in this country with thousands of
20 overflows occurring each year; and

1 WHEREAS, plans for all sewage systems are approved by the state health officer in
2 the Louisiana Department of Health prior to construction; and

3 WHEREAS, permit terms and conditions require wastewater treatment systems to
4 report such overflows to the Department of Environmental Quality.

5 THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby
6 create the Sanitary Sewer Systems Overflows Commission to study and make
7 recommendations on actions necessary to timely report, reduce, and eliminate sewage
8 overflows.

9 BE IT FURTHER RESOLVED that the commission shall be comprised of the
10 following members:

11 (1) One member shall be a member of the House of Representatives appointed by
12 the speaker of the House and who shall serve as chairman of the commission.

13 (2) One member shall be a member of the Senate appointed by the president of the
14 Senate and who shall serve as vice chairman of the commission.

15 (3) One member shall be the secretary of the Department of Environmental Quality,
16 or his designee.

17 (4) One member shall be the secretary of the Louisiana Department of Health, or her
18 designee.

19 (5) One member shall be the executive director of the Louisiana Rural Water
20 Association, or his designee.

21 (6) One member shall be the executive director of the Louisiana Municipal
22 Association, or his designee.

23 (7) One member shall be the executive director of the Police Jury Association of
24 Louisiana, or his designee.

25 BE IT FURTHER RESOLVED that the members of the commission shall not be
26 compensated for their service on the commission but may seek travel reimbursements from
27 their respective agencies. A majority of the membership is necessary for a quorum.

28 BE IT FURTHER RESOLVED that the commission shall submit recommendations
29 to the House Committee on Natural Resources and Environment, the House Committee on
30 Health and Welfare, the House Committee on Municipal, Parochial and Cultural Affairs, the

1 Senate Committee on Environmental Quality, the Senate Committee on Health and Welfare,
2 and the Senate Committee on Local and Municipal Affairs no later than March 1, 2019.

3 BE IT FURTHER RESOLVED that a suitable copy of this Resolution be transmitted
4 to the secretary of the Department of Environmental Quality, the secretary of the Louisiana
5 Department of Health, the executive director of the Louisiana Rural Water Association, the
6 executive director of the Louisiana Municipal Association, and the executive director of the
7 Police Jury Association of Louisiana.
