Proposed law provides that the Jena Band of Choctaw Indians appoints one member and the

members of the board of commissioners appoint four additional members.

Proposed law provides instead that if a vacancy is not filled within 30 days, the board may appoint an interim successor to serve for the remainder of the unexpired term.

Present law prohibits members of the board and family members from bidding on or entering into any contract, subcontract, or other transaction that is under the jurisdiction of the district. Proposed law deletes this prohibition.
